Behind every success there are partners. The North Bay Symphony Society is extremely grateful to all of our past sponsors and supporters without whose assistance, our performances would not be possible. So many individuals and businesses continued to walk with us since March 2020 as we faced the challenges of the COVID-19 Pandemic. The NBSO has multiple opportunities for anyone to financially support the orchestra, from concert sponsorships, musician support, to individual contributions at various levels. For information on supporting the orchestra and our community programs, visit our website www.northbaysymphony.ca or reach out to Cindy by emailing publicity@northbaysymphony.ca
